## HERE'S HOW IT WORKS:

Once you have decided to run this event for your Club we will assign our Professional Film Crew and Team. Our Team will include a Camera Crew, Director, and Professional Drama Coach.

### Casting Night

Once you have gathered your Contestants we will initially hold a Casting Night. At this Night your would be Actors and Actresses will be accessed and assigned their Movies and Roles. Our Drama Coach will ensure their is a suitable role for all.

### Event & Media Launch Night

Once the Casting Night has taken place, an Event & Media Launch Night can take place. In attendance on the night will be all the Contestants, and we will then announced which Movie/Film they will be appearing in, and the part they have been assigned.

### Drama Coaching

Once the Launch Night is complete and everyone knows their parts, it is time to practice, practice, and practice. Our Drama Coach will be with your groups for 4 weeks in advance of The Film Shoot to ensure everyone is ready for the Shoot Day.

### The Film Shoot

The Movies will be made in various locations in the community, adding a real local spin to the event. Usually the 7 Movies will be filmed over 2 consecutive weekends after the 4 week period of Drama Coaching and Auditions.

### The Award Ceremony

Once all the Movies are Filmed and Edited it's time to roll out the Red Carpet and have your very own Night at the Oscarz Award Ceremony. Our Production Team will create an Oscars Award Ceremony using Professional Drapes, AV, Stage, PA, and Lighting, plus Red Carpet, Red Ropes and Stanchions, Giant Oscars Statues, with Photo Shoots and Live Interviews on the Red Carpet with Contestants on both

### The Awards

Like any Oscars Ceremony their will be Awards for the Best Movie, Highest Grossing Movie (ie Most Raised for your Club), Best Actor, Best Actress, Best Supporting Actor, Best Supporting Actress, plus many more including Best Individual Fundraiser

### After Party – Hollywood VIP

Once the Main Event is complete it is time to either have a VIP After Party Disco!
